

WELCOME FROM THE STAFF & COMMISSIONERS

The Devils Lake Park Board Staff and Commissioners welcome everyone once again to participate in our programs and activities and to make use of our facilities to make your leisure time more enjoyable and relaxing. Our mission is to promote and provide broad-based recreational programs to all the citizens of Devils Lake and the Lake Region area in order to improve the quality of life in our area.

This Activities Booklet contains the majority of our events and programs but more may be added as the year progresses and the need arises. We have tried to keep our activity fees as reasonable as possible.

- On-line registration process for all individual participation activities is available.

We would like to take this opportunity to thank the many businesses, fraternal organizations, clubs, and individuals that support us throughout the year. These groups and individuals make it possible for us to provide the wide range of programs and facilities we offer to the Lake Region and our visitors.

We look forward to this coming year with excitement and enthusiasm as we once again have a number of events scheduled for the coming year.
